

Kansas Enhanced Mobile Veteran Service Van Request Form

We appreciate your interest in having the KCVAO mobile office participate in your event. The Kansas Mobile Veteran Services program ensures Veterans and family members are taken care of properly when it comes to Veteran advocacy. The mobile offices can park at convenient locations such as shopping centers and Veteran Service Organizations and attend sporting events, county fairs, parades, festivals, and other events in the communities throughout the state.

Accredited Veteran services representatives will provide no-cost information and assistance to Veterans and family members who may be eligible for benefits through the U.S. Department of Veterans Affairs. Such benefits might include service-connected disability compensation, improved pensions, VA health care benefits, burial benefits, educational benefits, vocational rehabilitation, and more. We can also help with applying for state benefits as well.

Please complete the questionnaire below and submit as early as possible before the event using the email, fax number, or address provided. You may contact Wayne Long at 785-480-0958 if you have any questions regarding the mobile program.
