## **Pro Rata Refund**

### **Veterans and VA Students Refund Policy (GI Bill Recipients)**

VA students attending this facility will be given a pro rata refund which is prorated on a daily basis. The exact proration will be determined on the ratio of the number of days of instruction completed by the veteran/VA student to the total number of instructional days in the course. In the event that the veteran/VA student fails to enter the course or withdraws or is discontinued there from at any time prior to completion of the course, the unused portion of the tuition, fees and other charges paid by the individual shall be refunded promptly, within 40 days. Registration fee above \$10 is subject to proration.

VA students will not be required to apply for this refund; it will be made when the school becomes aware of the individual's failure to enter the course, withdrawal or other discontinuance there from. If this institution ever applies a more favorable refund policy for the general student population it shall be applied to veterans/VA students as well.

#### **§ 21.4255 Refund policy; nonaccredited courses.**

Non-accredited schools must refund tuition and fees on a pro rata basis when VA students withdraw from courses or do not enroll after paying for courses, in whole or part. The pro rata refund must, at a minimum, meet the following criteria:

- (1) The refund must be prorated on a daily basis.
- (2) VA regulations allow a 10% deviation from the requirement that the amount of the refund be exactly pro rata.
- (3) VA regulations allow schools to retain up to \$10.00 of any registration fee.
- (4) If schools have refund policies that are more favorable to the students, SAAs will require the schools to use those policies.
- (5) School or course catalogs must have description of the refund policies. A simple statement that refunds are made on a pro rata basis is not sufficient. The description must be clear enough for students to determine the amount of their refund.
- (6) Schools must make refunds promptly, i.e., within 40 days.
- (7) Schools must not require VA students to request the refunds.
- (8) Schools may apply the pro rata refund policy to VA students only.
